Motherhood

MOTHERHOOD is the reward nature bestows upon healthy womanhood. Women whose vitality has been sapped by disease cannot safely give birth to children. In pregnancy and in childbirth weakness of the mother is revealed in the pain and agony she suffers.

This great medicine drives out every vestige of inflammation and weakness, and gives tone and strength to the delicate organs which mature the child. The pains of pregnancy are banished by Wine of Cardui, and miscarriages, which blast so many fond mother's hopes, are prevented. Flooding, which so often occurs after childbirth, is corrected when Wine of Cardui is used during pregnancy.

Wine of Cardui babies are healthy babies, because, during the months of pregnancy, the mother is able to give them necessary vitality and strength.

With these facts presented to American women no expectant mother should be satisfied without the reinforcement that Wine of Cardui will give her. Every mother should be able to treat herself in her home with this valuable medicine.

Wine of Cardui can be secured from any druggist at \$1.00 a bottle.

Polycarp, N. C., Jan. 11, 1902.

I am the mother of seven children and while in pregnancy with the first six suffered untold misery until they were born. One month before the seventh was born I began to take a bottle of Wine of Cardui, which gave me relief after taking three doses. I used the remainder of the bottle until the birth of the child, and was stronger in three days after the birth than I was in a month after the birth of either of the first six. I am 29 years old.

Once in a while some one who has traveled to the very edge of the danger line of stomach disease stops just in time to save his health. But the majority of people go across the line, and

flight symptoms of indigestion grow to disease of the stomach, involving the other organs of digestion and nutrition. Indigestion and other forms of stomach "trouble" are perfectly and permanently cured by the use of Dr. Pierce's Golden Medical Discovery. It strengthens the whole body by enabling the perfect digestion and assimilation of food.

\$3,000 FORFEIT will be paid by the World's Dispensary Medical Association, Proprietors, Buffalo, N. "I have been suffering for about eight years," writes Mrs. H. Pierce, of Millington, Ky. "I have had several doctors to treat me—some for female weakness and others for stomach trouble, but received no relief. When I wrote you for advice I was hardly able to work, and you advised me what to do. I took nine bottles of 'Golden Medical Discovery,' four of 'Favorite Prescription,' and two of the 'Pelllets.' Dr. Pierce's medicines will do all that you claim for them. Believe I would have been in my grave if I had not taken them."

Dr. Pierce's Medical Adviser is sent free on receipt of stamps to pay expense of mailing only. Send 21 one-cent stamps for the book in paper cover, or 31 stamps for the cloth-bound volume. Address Dr. R. V. Pierce, Buffalo, N. Y.

OH THE FOLLY OF IT ALL!

This man actually made himself lame by walking all over the country looking for suitable material with which to build a house. He wanted good lumber, good brick, and good shingles; but his

means were limited, and the prices at the mills were beyond his reach until he found A. T. GRIFFIN, who at once proved to him the folly of walking all over the face of the earth trying to find what he desired at reasonable prices. The man got what he wanted and went away wiser, and declared he would know where to go next time.

Mr. Griffin's Brick plant is situated just outside of the city limits, on the Southern Railroad, and his Lumber and Shingle plant is on the banks of Neuse river, near the mouth of Little river. When you need anything in his line, call on him or write your wants to
